Fish for the Future

All of us have a very important role to play in the continued enjoyment of fishing in a world class enviroment. Many of our guests are already practising several fish conservation techniques, i.e. catch and release, barbless hooks, trophy fishing, shore lunch fish only etc. We encourage and support you in "limiting your catch, not catching your limit".

On the scenic shores of Wilson Lake, lies Wilson Lake Resort, where you are treated like family.

Wilson Lake Resort is a small family run resort with 10 cottages. Our fully modern cottages come in a choice of 1 to 6 bedroom. The cottages are very clean, modern, fully equipped with all the comforts of home - microwave- gas barbeque- satellite TV- deck chairs- picnic table.

Wilson Lake is part of the Pickerel River system which offers 42 miles of spectacular scenic waterway. A boat ride along the Picker River system will prove to be very enjoyable and relaxing. After hundreds of years the Pickerel River system is still quiet and peaceful. We offer boat and motor rentals, our motors are leased brand new each year to ensure your boating safety and pleasure. Enjoy a quiet pleasure ride along the shores of Wilson Lake with our paddle boat or canoe which is available to our customers at no charge.

Looking for something else to do, challenge your group to a game of horseshoes, volleyball or badminton. Enjoy a wonderful array of country roads and trails to wander along. The old logging roads, hiking trails and snowmobile trails can provide you with an interesting day of back wood's experiences. Restaurants and shopping are within walking distance of the Resort.

Enjoy the evening by renting a VCR and videos or relax in the Hot Tub and watch the stars. Hot Tub and Sauna facilities are right on our beach.

For those who like to go exploring or shopping, the town and area of Port Loring supplies a Post Office, grocery stores, gift shops, farmers market, restaurants, service stations, bingo, liquor store and for your Sunday worship, churches.

If you are one of the people who prefers to travel in the spring and fall when the roads aren't as crowded, this is the destination for you. Come experience the change of season's first-hand! In the spring everything is fresh and green and it is a bird watcher's paradise. In the fall the vibrant colors of the leaves tell you that Mother Nature has been very busy with her paint brush and it is just a joy to drive and wander the many side roads.

In the spring and fall, take advantage of our specially priced **ATV Adventure Package** the package includes 3 days/2 nights accomodation with full American Plan or we will design a package to suit the wants and needs of your group.

Wilson Lake Resort is 1 1/2 hours away from Sudbury and North Bay. In Sudbury visit the Big Nickel Mine or Science North. North Bay has the home of the Dionne Quints and the Chief Commanda cruise. Both communities offer the very best in shopping facilities.

First timers and regulars agree that whether you come for boating, fishing, nature trails, water sports , lying on the beach or just enjoying peace and tranquillity, your host, the Dare's will make your stay a memorable one.

Catch up on a good book, rediscover romance, spend time with your family - we offer you these opportunities and more.
